[Proposal for Engineering & Fabrication work]

Sir/Madam,

S.S. Industries offers custom metal work and fabrications services which can bring to life your engineering vision.

We are equipped to handle almost any sort of metal work. **Just call and ask how we can help you.** You'll be pleased by the wide range of services and products we offer.

We are looking forward to do business with you.

S.S.Industries is specialized in **Fabrication & Mechanical Engineering Works.**

We have years of experience working with the following materials: aluminium, steel and iron.

S.S.Industires is a general metal products factory/shop , where we do fabricate and ship a few large orders for customers, we are known for our custom-made projects. These range from unique business signs to huge industrial & infrastructure projects.

Whatever you can dream up, we can create it for you! We offer the following metal fabrication services.

Our Products & Services:

1. Fabrication of products from scratch
2. Welding
3. Forming
4. Rolling & Bending (Tube Steel, Flat Plate ,Angle)
5. Drilling
6. Installation of Fabricated materials
7. All kind of Fabrication Jobs.
8. Repairs (Onsite Repairs of large metals)
9. Replacement welds
10. Fabrication of Replacement Pieces

The following categories are some of the jobs we have handled :

Category of Jobs done by us

1. Street Poles
2. Advertising Koisks
3. Gantry
4. Girder
5. Solar Power Plant Structures
6. Barricading Boards

7. Trussel
8. Solar Poles
9. Scaffolding Materials (Prop , Verticals , Spans , Column , Shuttering)
10. Pilling Materials (Tremie Pipe & Socket)
11. Finned Tubes & Fin Coil
12. Tanks & Piping
13. Police Booths
14. Structural Works
15. Boilers

Sectors we have successfully worked

1. **Civil & Electrical Engineering Companies** (Fabrication & Machine Parts manufacturing)

10. **Government of India –various department** (Fabrication)
11. **Machinery Manufacturing Companies** (Mechanical Engg Works – Finned Tubes & Coils)

Whether you want only a few pieces of sheet metal cut for you, or you have designed an elaborate item that requires rolling, cutting, bending, and finishing, we can handle your job.

Call for an estimate and schedule - +918420897027

What sort of materials are you considering and for what purpose? Do you have blueprints in hand? If you're not sure what is appropriate or meets codes in your area, we can advise you on any kind of metalwork.

We can assemble and weld already fabricated pieces shipped to us from a variety of sources, or we can shape, cut, and assemble a custom piece from scratch.

Most simple jobs can be scheduled within 10-15 days. We promise to deliver for you as soon as possible. **Call us for a time estimate and delivery date.**

S.S.Industries is a full-service metal factory/shop. We roll, cut, shape, weld, and finish a wide variety of materials.

Sincerely,

Yash Jaiswal
(Manager)
